A Visionary

Rt. Rev. A. J. APPASAMY

(1891 - 1975)

BISHOP APPASAMY COLLEGE OF ARTS AND SCIENCE

was established in 1995 in the name of
our first Indian Bishop of Coimbatore Diocese.

He was a renowned scholar whose passion for writing was only overpowered by his love for reading. He authored many books on various subjects including one on meeting Sadhu Sundarsingh in Oxford, regarded as classic creation. He was a great spiritual reviver of the Church of South India, Coimbatore Diocese and always remembered by us as a true gentleman.

Introduction

GENESIS

CSI Bishop Appasamy College of Arts and Science was established in the name of our first Indian Bishop of Coimbatore Diocese Rt. Rev . A. J. Appasamy. He was a great spiritual reviver of the Church of South India, Coimbatore Diocese, and always remembered by us as a true visionary.

CSI Bishop Appasamy College of Arts and Science (BACAS) was established on 11th of September 1995 with 5 faculty members and 65 students by Coimbatore diocese to meet the emergency needs felt by the younger generation to have quality education which will provide wholesome development as well as career opportunities, thereby helping them to play significant role in the mainstream of national and global development at a larger level.

Today, the college has 75 efficient teaching staff, 59 non-teaching staff and more than 1200 students. The college is situated at the heart of the Coimbatore city with excellent rail and road connectivity.

Aims and Objectives

- ▶ To mould students into honest and responsible citizens
- ▶ To plan programs for academic and non-academic excellence
- ▶ To adopt a holistic approach for inculcate the education and Christian principle of serving to people
- ▶ To instill a sense of responsibility in the students and to help them to become dependable people with integrity in their chosen profession
- ▶ To help students discover and develop innate skills through co-curricular activities
- ▶ To introduce activities to encourage co-operation and leadership among students
- ▶ To offer courses to keep pace with the ever changing scenario of the “World of Global Education”

Vision Statement

“To be an international centre of excellence in character formation, intellectual growth and community development, building citizens for the nation.”

Mission Statement

The mission of CSI Bishop Appasamy College of Arts and Science is to be an international centre of education for professionally needy youth, by providing professional and value based teaching and individual care , enhanced with community by being role models of international standards.

Facilities & Resources

STUDENTS SERVICE CENTRE

We, at BACAS, believe that each student is a treasure entrusted to our care for a while and it is our duty to cherish and enrich; make them better, purer and tougher before they leave the portals for this institution. The joy of seeing our students blossom and flourish is the matchless reward. Each individual is unique and different. Hence, with a view to channelize the individual capabilities & intelligence and align the same to the demands and requirements of the job market, BACAS has set up Students Service Centre. In addition to sharpening the students capabilities, they are also trained to enhance their adaptability to the industry needs.

This is done by way of personal counselling, career guidance and training programs. **Placements** - On campus & Off campus are coordinated by the Centre. It also assists students with information and guidance about higher studies, and coordinates Faculty Development Programmes.

SSC PROGRAMS / SESSIONS

Career guidance and placement drive | Job Fair | Imparting skills to face interviews | Placement
Personal Counselling | Higher Education Counselling | Personality Development | Seminars and Workshops

LIBRARY

The Library has a stock of 19,400 books in total, on various subjects and it also subscribes to around 41 periodicals and journals. It is equipped with internet facility and students can make use of this facility after college hours at free of cost.

For the benefit of the students, the library keeps stock of previous years' examination question papers, and projects done by former students. The current content services enable the students to take copies of desired articles from archived magazines and journals. The library is planning for total digitalization by which information will be available in the form of e- books.

Timing : Monday - Friday : 9.00 am to 6.00 pm - Saturday : 9.00 am to 1.00 pm

NCC

National Cadet Corps

NCC develops the personality of the cadets especially with regard to self confidence, discipline, secular outlook, leadership and punctuality. It also provides a suitable environment to the younger generations to take up a career in the uniform services. NCC cadets get opportunities to take part in various camps in State and National level which includes combined Annual Training Camp, Army attachment Camp, National Integration Camp, Republic Day camp and Basic and Advanced Leadership camp.

Since the motto of NCC is “Unity and Discipline” the cadets get real practice to remain united with discipline.

NSS

National Service Scheme

NSS is involved in serving the nation through educating rural and urban masses about environment, public health, population regulation and bringing about social awareness.

Two units of hundred students each are operating in this college. NSS volunteers meet twice a week to work on the activities under the guidance of the Programme Officers. Whenever possible, they also interact with volunteers of other units of different colleges.

An Annual Special Camp is organized to implement a particular project in the rural area. Selected NSS volunteers get opportunities to attend National Level Camps, Mountaineering camps and Republic Day camps.

CLUB ACTIVITIES

MUSIC CLUB

Offers classes in classical music and western music. The club enables students to hone their skills and showcase the talents in intercollegiate competitions.

DRAMA CLUB

Dramatics, a wing of the Department of English, conducts drama sessions. The club stages many plays, which includes the Christmas Play every year and also prepares students for competitions at various levels.

GARDENING CLUB

Inculcates in the students a love for nature. Students learn the art of gardening and nurture plants to create a green environment in College and in their respective residence.

DANCE CLUB

Offers opportunities for students to learn various types of dance.

SPORTS CLUB

Development of the person is essentially based on both Physical and Mental development. The avenues open here are numerous to suit the need of the individual.

QUIZ CLUB

Engages members in brain storming sessions. With active participation, the club also organizes interdepartmental quiz competitions periodically.

DRAWING & PAINTING CLUB

Offers art classes on different painting and sketching styles. It helps students to sharpen their skills in this field.

EMBROIDERY & CRAFT

Classes are offered on the fine art of embroidery. The students are taught to make soft toys, knitting, pattern designing etc.

ECO CLUB

Our College has Eco club, involving students to make our campus Eco - friendly. Awareness is provided through seminars and visiting plant nursery. Students involve in planting trees and plants around the campus. Add on course with the title "ENVIRONMENTAL SCIENCE AND ECOLOGY" is introduced for this purpose.

ROTARACT CLUB

The Rotaract Club in the college consists of around hundred members. The Rotary club of Coimbatore Texcity sponsors the club. The club provides its members an opportunity

- ▶ To develop professional and leadership skills
- ▶ To recognize the dignity and value of all useful occupation as an opportunity to serve.
- ▶ To recognize, practice and promote ethical standards and leadership qualities.
- ▶ To develop knowledge and understanding of the need, problems and opportunities in the community and worldwide.
- ▶ To provide opportunity for personal and group activities to serve the community and promote good will for service rendered.

PHYSICAL EDUCATION

The Department of Physical Education organizes sports and games for the students throughout the year. The students in the college are divided into four houses, namely Addis, Wiggle, Brough and Crisp. The students are trained to compete at the college, district and state levels. The students of the four houses compete with one another during the inter-house matches on the Annual Sports Day.

Special events for staff are also conducted. The college is a recognized "Talent Development Centre" of the Sports Authority of Tamil Nadu

CHAPEL SERVICE

The College organizes chapel service every Wednesday at 8.45 am. Special retreats, Devotional meetings and Thanks-giving prayer meetings are also organized regularly.

CHRISTIAN STUDIES

Bible study classes are held for Christian students. Students may also enroll themselves to write examination conducted by the Christian Education Centre, Bangalore to obtain their diplomas.

"TAFTEE" Classes will also be offered for interested students.

VALUE EDUCATION

Most of the social problems find their roots in the deterioration of moral values in the younger generation. Understanding this, regular value education classes are held. These classes are handled by able faculty to emphasize on the moral values, which help to keep the society intact.

COUNSELLING

Beyond the classroom setting and academics, the students require individual attention for day to day issues. This is taken care of by the Advisor - Advisee scheme which ensures that the entire student body is divided into groups and entrusted to the care of staff advisors, who will assist them in areas other than academics.

HOSTEL FACILITIES

Hostel Facilities

There is nothing like home, but since there is a need for accommodation for the students during their course of study, the college runs separate hostel for boys and girls with adequate facilities and hygienic food at a reasonable cost.

Students are provided with common television with timings / programmes subject to the warden's consent. Students must be present at 7pm in the room for the roll call.

Self medication is not allowed and if any student is undergoing medical treatment, the management and the warden must be informed of it at the time of admission.

Medical assistance is made available to the student in case of sickness. Withdrawals during the course of the academic year are subject to the permission of the Principal on a case to case basis.
